# BROMBOROUGH POOL VILLAGE PROJECT

For over 10 years, Autism Together has operated a range of support services from a number of rented buildings within Bromborough Pool Village, namely the old school, church and Giles Shirley Hall.

In 2023, these buildings were gifted to Autism Together. As a result, we want to undertake some much-needed repairs to the buildings, as well as providing greater community access to the Enterprise Centre (the former school building) and Giles Shirley Hall.

*We would like to know your thoughts about the use of these buildings, and what community activities you might wish to see available at the Enterprise Centre and Giles Shirley Hall.*
